## APPENDIX 1

### The Committee for Pastoral Training Program Funding

The Church at Guelph has been charged by Synod Smithers 2007 to appoint a Committee for Pastoral Training Program (PTP) Funding (Art. 159.2 of the Acts).

The **Mandate** of the Committee has been described in the Acts as follows (Art. 78.4.11.1):

- a. To look after all internship-related funding matters
- b. To determine a reasonable compensation for internship, and to develop guidelines for such compensation
- c. To assess the churches each year based on the anticipated funding required for a particular summer
- d. To report about their activities to the next general synod, which report shall be sent to all the churches.

#### **Membership:**

The **membership** of the Committee consists of a Chairman, a Vice-chairman, a Treasurer, a Secretary, a Liaison with Council, and a Liaison between the Theological Seminary and the Committee, the PTP Coordinator (Art 78, 4.11.2).

#### **Duties of Members:**

The **Chairman** is responsible for directing the activities of the Committee in fulfilling its mandate. He will call a meeting on no less than two occasions per annum, preferably in May and October. These meetings will enable the Committee to discuss funding by Churches to employ students and assessment of Churches to include in budgets, respectively.

The **Vice-Chairman** acts as Chairman in his absence and assists the Committee with carrying out its mandate. The Vice-Chairman and the Treasurer will jointly open a bank account and sign cheques.

The **Treasurer** is responsible for managing the receipts and disbursements of funds. He is to submit an annual statement of receipts and expenditures to the Committee before its meeting in October of each year and to make recommendations regarding the annual assessment to be submitted by the Churches. He is to keep accurate records of receipts and disbursements and have these available for auditing before the Committee meeting in October of each year.

The **Secretary** is to keep minutes of meetings, to submit minutes and letters for review and approval, and to mail letters to request the submission of the annual assessment to the Churches after the October meeting to enable inclusion of the assessment in the budget of each of the churches.

The **Liaison with Council** is to keep Consistory with the deacons informed of the activities of the Committee, to relay requests by the Committee for appointments and other matters, and to inform the Committee of decisions of Consistory with the deacons regarding the PTP Funding Committee.

The **Liaison between the Committee and the Theological Seminary** is the Pastoral Training Program Coordinator. He will inform the Committee of all matters regarding funding of the Pastoral Training Program and may request assistance in the carrying out of his duties as PTP Coordinator. He will inform the Committee of the number of students to be enrolled in the PTP on or before the Committee meeting in October of each year. He will, after having made arrangements for placements of students by Churches and with mentors, inform the Committee of the same in a timely manner.

#### **Appointments:**

The Committee members, except the PTP Coordinator, are appointed by the Consistory with the deacons of the Church at Guelph. The PTP coordinator is ex officio the liaison between the Theological Seminary and the Committee. The division of tasks of the Committee members is as agreed upon by the Committee. The appointment of all members, except the PTP Coordinator, is for a three-year period and Consistory with the deacons may at its pleasure, reappoint members for additional three-year terms.

**Auditors:**

The Church at Guelph will appoint two auditors, members of neighbouring churches, who will examine the books of the Treasurer each year before the October meeting of the Committee.

**Report to General Synod:**

The Committee will submit triennially a report to the Church at Guelph detailing the activities of the Committee well in advance of General Synod so as to enable Consistory with the deacons to review and submit the report six months before General Synod.

## Guidelines developed by the Pastoral Training Program Funding Committee

### 1. Compensation for students in the Pastoral Training Program

- a. The mandate of the Committee is “To determine a reasonable compensation for internship, and to develop guidelines for such compensation” (Acts of General Synod Smithers 2007, Art. 78:4.11.1.2). The Committee considered that the Pastoral Training Program (PTP) is an **educational** program that endeavours to equip students more fully for their future task among God’s people. The Committee obtained information from past participants in the Program, both students and churches where students were placed during their internship, from students who hope to be enrolled in the PTP, and examined co-op programs in graduate studies at Canadian universities. The Committee considered that the PTP is not unlike co-op programs at Canadian universities that aim to provide practical training and expertise to students. The students that enrol in the PTP are in a Master of Divinity Program of Studies. The Pastoral Training Program is mandatory for all students aspiring to the ministry of the Word among the Canadian Reformed Churches in accordance with the document entitled “Guidelines for the pastoral Proficiency Program” (Art. 78:4.10). The Federal Government established rates of pay to students in a Master’s program during 2022 to 2024 to range from \$22.71 to \$30.99 per hour when employed in a co-op program at Federal departments, laboratories and agencies. The highest amount was only to be paid to students who are re-employed or to students who have relevant previous work experience. The website is: <https://www.canada.ca/en/treasury-board-secretariat/services/pay/rates-pay/student-rates-pay.html>. New rates of pay are typically published every two years. After considering these matters, the Committee decided to pay \$26.46 per hour or \$1,058.40 per week for students employed during the summer of 2022 and 2023 and \$28.70 per hour or \$1,148.00 2024. Since the requirements of the PTP program are considered to be fulfilled during a minimum of 10 weeks but preferably 12 weeks of training, the Committee decided to pay the employer, the Church where the student is placed by mutual agreement between the PTP Coordinator and the mentor, a total amount of \$12,708.80 for 12 weeks of training in 2022 and 2023 and \$13,776 in 2024. The Committee will pay each of the Churches employing a student the above stated amount in a manner ensuring that the student can be paid on time. It is preferred but not required, that the students complete their time in the Program in one summer; several students for various reasons have split their time over two summers. Where the student does not complete 12 weeks, because they will complete the Program either over two summers, or they only complete 10 or 11 weeks, the funding to the church is calculated based on the number of weeks the student is with the hosting church.
- b. To encourage participation of the Churches in Western Canada in the Pastoral Training Program, the Committee decided to provide an additional amount of funding to students travelling outside of Ontario; \$500.00 for travel to Manitoba; \$750.00 for travel to Alberta, and \$1000.00 for travel to British Columbia. This amount would also be sent to the local hosting church.
- c. The Committee decided not to pay for additional travel costs, mileage, the student being married and having a family to look after, housing expenses, tuition fees or other considerations. The Committee considered that it has as mandate to fund an educational employment program. The Committee is not a Committee for Needy Students. Also, employers that hire students enrolled in a cooperative program of studies at Canadian universities pay students for the period of the training program, but not for travel expenses, family needs, housing expenses or other expenses. However, a local hosting church could, at its discretion, add to the approved amount based on the individual student’s circumstances.

- d. The Committee decided to fund only the 10-12 week Pastoral Training Program period. Students should be able to complete the requirements of the mandatory 10 to 12-week Pastoral Training Program during that period of time. The Church employing the student may, at its discretion, enter into an agreement with the student to employ him for a period longer than 12 weeks but would then itself face payment of the additional costs.

## **2. Assessment**

- a. The Committee will consider at its October meeting the number of students to be employed by the Churches in the ensuing year and send a letter to the Churches regarding the annual assessment for the PTP requesting the churches to pay the assessment before March 31 of the following year.

## **3. Foreign Students**

- a. The student should apply early for a work permit, i.e. before January of the year in which he will be enrolled in the Pastoral Training Program.
- b. The granting of a work permit may be expedited when the student writes in his application to Citizenship and Immigration Canada that he is enrolled in a Master of Divinity Program of Studies at the Canadian Reformed Theological Seminary in Hamilton, Ontario, that the Theological Seminary is a Province of Ontario recognized degree-granting institution, that the program is mandatory to complete the requirements for entrance into the ministry, and that he is required to complete the Pastoral Training Program immediately following the 3<sup>rd</sup> year of studies of the 4-year M.Div. program.
- c. The Committee will provide advice to foreign students requesting help in applying to Citizenship and Immigration Canada for a social insurance number and a work permit.

## **4. Employment and taxes**

- a. The Committee will advise churches regarding employment of students and payroll deductions for taxes, unemployment insurance, etc.
