Re: RSW 2024 Overtures to General Synod 2025 (Aldergrove)

Esteemed brothers,

Attached are four overtures that Regional Synod West is submitting to General Synod 2025 (Aldergrove) for its consideration. The submissions are being distributed to the churches in accordance with the following General Synod guideline:

F. Since matters on the agenda of general synod involve the churches in common, regional synods shall distribute copies of adopted overtures to all the churches in the federation no later than five months prior to the convening of a general synod.

The overtures are:

1. Overture RSW 2024 re CO Article 30 - to churches
2. Overture RSW 2024 re CO Article 55 (CPE) - to churches
3. Overture RSW 2024 re CO Article 55 (CPW) - to churches
4. Overture RSW 2024 re Form for Baptism of Infants (CPE) - to churches

In accordance with the follow Synod Guideline, RSW is not distributing paper copies of these overtures.

B. Correspondence from the convening church, including the notice of convocation, agendas, reports, and proposals may be sent to the churches and/or delegates as digital files. However, in order to maintain the confidentiality of potentially sensitive material, personal appeals as well as other documents which contain personal information (e.g., letters of appointment) must be sent from the convening church as password-protected digital files

May the Lord bless you in your considerations and as you serve His church.

On behalf of Regional Synod West 2024,

Lyndon Kok
Clerk at the time
