

Press Release of Classis Contracta Ontario West – December 20, 2017

On behalf of the convening church, Rev. D. de Boer welcomed everyone and opened the meeting with Scripture reading, singing, and prayer. Credentials showed that Pilgrim London, Grace Kerwood, and Eben-Ezer Chatham were duly represented. Chatham presented their request for the release of Rev. D. de Boer with the appropriate documents and this request is granted. Words of thanks were offered to Rev. de Boer for his contributions to the classis during his ministry here. Censure was not deemed necessary and after closing devotions the meeting was adjourned.
