Dear Brothers,

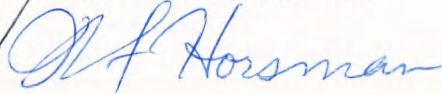

We hereby inform you that two members of the consistory inspected the archives of General Synod 1986 on February 28, 1989. They were found to be in order and very accessible. Two items appear to be missing as reported by brother T. Vandenberg who "keeps" the archives on behalf of the Church of Burlington East.

Brother Vandenberg has taken the trouble to submit a number of proposals to Synod 1989 and the Church of Burlington West supports these and hereby recommends that you adopt them.

With brotherly greetings,

J. Mulder, Chairman

CORRESPONDENCE ADDRESS

~~Febr. 20-1989.~~

To the General Synod of the Can. Ref. Churches
to be held in Winnipeg 1989.

Esteemed brothers,

The church of Burlington ~~E~~st, having been appointed as church for the General
Archives, hereby informs you that the report on the

Archives of the Canadian Reformed Churches

inadvertently was mailed to your attention by the archivist Mr. T. Vandenbrink,
rather than ~~the~~^{at} ~~above~~ mentioned church. This church did receive a copy of the
report.

This letter serves to inform you that Burlington East fully endorses the report
and agrees with the proposals as submitted by the archivist.

Yours in His service,

M. Kampen, clerk.
