Report re Inspection General Archives

Esteemed brothers,

Synod Cloverdale 1983 appointed the Church at Burlington-West
to examine the Archives of Synod 1983 (Cloverdale). Acts , Art. 113

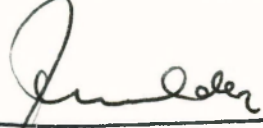

We have examined these Archives and found that all the corresponden-
ce received by Synod 1983 has been orderly filed. Also the creden-
tials were present and other documents received by Synod.

However, as yet there are no copies in the Archives of the corres-
pondence sent by Synod 1983. Neither was there a copy of the original Acts.

The Rev.W.Pouwelse, who was the second clerk of Synod 1983 informed
us in a telephone conversation that due to circumstances he did not
send this material to the Church for the General Archives but that he
will forward this correspondence to the Church at Burlington-East
after arrival in Burlington, Deo Volente.

With brotherly greetings,

For the consistory of the Church at Burlington-West,

J. Mulder, chairman

T. VanderVeen, clerk
