Report Address Church

Esteemed Brothers:

In accordance with point 4 of the mandate which our Church received from the previous General Synod we herewith submit to you a report of our work since the previous Synod.

As to point 1 of our mandate, "to receive communications", on September 6, 1983 the Church at Smithville forwarded to us (we quote from its letter) "some material that found it's way to the old 'Address Church's' address".

This material consisted of

1) a request by Miss Ruth A. Moses, Nigeria, West Africa, for Am.\$ 260.00 to pay off her study-debts. Unless instructed otherwise, we would pass this request on to Canadian Reformed World Relief Fund.

2) a request from Festus Oguh.S., Mankato, MN. 56001, USA, for financial support to finish his college-studies in order that he can help "the hungry people of the world beginning from the worst part of Africa". We suggest that this request is not responded to.

3) A request from Richard H. Taylor, Andover, Ct, 06232, USA, for some historical data about our churches. This information has been given to him by us.

4) A request by Sara N. Lee, Arlington, TX 76011, USA, for the addresses of all our churches, with a view to her graduate project. Unless instructed otherwise, we will not grant this request.

5) A request from Rev.Dr.C.L.Chilton, Phoenix, AZ 85018, USA, for a sample copy of "your periodical". We suggest that this request does not receive a reply.

As to points 2 and 3 of our mandate, "to acknowledge receipts of communications" and "to pass on these communications to the proper address(es)", see the above information.

Point 4 of our mandate was not applicable.

Respectfully submitted,

For the Consistory,

(D. De Jong, chairman)

C.S.
(J.G. Nordeman, clerk)
