REPORT ADDRESS CHURCH

to General Synod of the Canadian Reformed Churches  
to be held in Smithville, Ontario, November 1980

Esteemed Brethren,

Since the appointment of the Church at Burlington-East as "Address Church" by General Synod Coaldale 1977, this function has not been very eventful. No documents were received.

When it became known that in 1979 under the name "The Canadian Reformed Fellowship" an association for study purposes was founded, having no relation with the Canadian Reformed Churches at all, we sent a letter to its chairman on April 14, 1980, suggesting to use a different name for that organization. We recently noticed that the name has been changed.
