13 Regarding point 8:

14 By means of a letter, a motion was made and seconded. Following discussion this motion
 15 was amended to read in succinct format:

16 *Rather than format the acts in the system, “materials-admissibility-observations-*
 17 *considerations-recommendations” to format the acts in the system, “materials-*
 18 *admissibility-decisions-grounds.”*

19 A vote determined that there was majority support for the underlying principle of this
