General Synod of the
Canadian Reformed Churches
scheduled to convene on
April 15, 1986 at
Burlington West, Ontario

Esteemed Brothers;

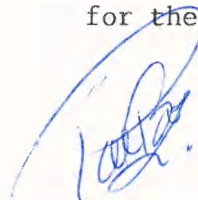

-Re: General Fund-

Attached to this letter please find the report of Br. H. Veldman who has taken care of the General Fund (See Acts of synod 1983 Articles 112 and 175 #7) on behalf of the Consistory at Carman.

The Consistory has seen to it that the books of this fund were audited. The audit covered the period from January 1, 1983 through to December 31, 1985. An oral report of this audit was given during a Consistory meeting held on March 3, 1986 which confirmed that the books were being kept in good order.

The Consistory has also seen to it that notices were sent to Churches that were in arrears. As shown in the report there is still one church in arrears.

In Christ's service
for the Consistory;

Rev. P.K.A. de Boer

H. Veenendaal Corresponding Clerk
